Meet your host

Richard Lacey has been a Costa Rica resident since 1996. You may recognize his face from his YouTube channel TamarindoRich, which has around 1 million views. Originally from Nottingham, England, he first came here to work as general manager of a pineapple factory in San Carlos, in the very center of Costa Rica. There were no other expats for a hundred miles in any direction. He integrated very quickly with the locals, and began to speak fluent Spanish. He has been involved in the real estate business in Tamarindo for 18 years, and is the founder of our sister company, Coldwell Banker Tamarindo. If you have any comments, good or bad (but hopefully good!) then please WhatsApp or email Richard.
