Be FireSmart.
 Our forests are a source of great pride. We encourage our residents and visitors to enjoy all they have to offer and to help us ensure their beauty is protected.

Whistler is in a high-risk area for wildfires. Please be careful and help prevent wildfires.

Take the time to become fire aware: Check for advisories on highway signs, on the radio and in newspapers, or call the 1.888.3.FOREST fire information line for pre-recorded updates on wildfire locations, smoke advisories, wildfire hazards and campfire restrictions.

Whistler is a 911 Community

The Suggested Route is for intermediate / experienced riders. While we have suggested a route for riding the Whistler Valley Singletrack, it can be ridden in either direction, or in a different order. Go have some fun and explore the trails.

Please be aware that riding times will be dependent upon your skill level, conditions and time of year.

This route is designed for summer riding only and is inaccessible during the winter months.
