Responsibilities of Manager:

1. Depending on the Services offered in the Contract Details, We will rent and conduct all rental listing and marketing activities, letting, booking and finance for the Property (Booking Agent), and We will manage all Property operations including housekeeping, linen and hospitality services, repairs and maintenance, and legal and compliance (Full Management).
2. We will use due care and skill in the performance of Our fiduciary duties and will keep You informed of relevant leads, proposals and rentals in relation to the Property. We will not make any intentionally false or misleading statements or representations to any person in relation to the Property or any rental.
3. We may advertise the Property for rent in any channel or method We see fit and charge You the Marketing Fee outlined in Schedule 1. We may choose to vary the rent depending on the marketing channel used.
4. We are authorised to qualify and select Guests of suitable character and credit worthiness.
5. We will advertise and rent the Property for tariffs that in Our opinion reflect the prevailing market conditions, and approximate tariffs of comparable rental properties, unless expressly instructed by You and agreed in writing by Us. Rents will be determined based on season, length of stay, supply vs demand, exchange rates and marketing channel/model.
6. We are authorised to take bookings for the Property during the periods shown in the Property Availability Schedule or as otherwise agreed in writing and for booking requests up to twelve (12) months in advance, and We will notify You in writing by email of all pending, confirmed or cancelled bookings.
7. We are authorised to collect and hold in trust all booking tariffs, security deposits, rental deposits and any other monies due and to issue receipts for such monies upon request. Our receipt for the deposit shall be deemed to be an agreement to supply the Property to rent between You and the Guest.
8. We are authorised to renew a rental contract, make date amendments and cancel rental contracts for the Property on Your behalf.
9. For health and safety, We will supply premium, hotel grade bed linen (excluding duvets and valances) and bath linen towels (excluding beach towels) for every bed in the Property required for each rental. A per bed security deposit will be held in the Property ledger to ensure the linen we supply for the Property is returned to Us. All linen charges are shown in Schedule 1.
10. We will conduct a preliminary review of the Property for sales and marketing purposes. During this review, we will identify obvious damage and/or fair wear and tear and report back to You. We are not obligated to check/count inventory or conduct exhaustive inspections or long-term leasing compliant condition reports before or after the Rental Term or between Guest stays. We will notify You of any damage and/or fair wear to the Property if identified during our normal operations. We are not obligated to execute inspections of the Property for prospective Guests stays. Where an inspection is arranged by Us and agreed by You, We are authorised to carry out this inspection as long as the Guest is accompanied by Us.
11. We reserve the right to take action, including but not limited to the prosecution of legal proceedings, to recover outstanding rent, tariffs and/or fees for loss or damage to any part of the Property and/or furnishings thereof; and, in consultation with You, to compromise, settle and release any such legal proceedings or lawsuits. We will perform our duties and obligations under this agreement in a professional manner and having due regard to Your interests as Property Owners/Investors and will keep You informed of any reasonable or significant actions and events pertaining to the rental of the property.

21. If routine maintenance is required and You are not contactable for more than 5 working days, or in an emergency, and You have not nominated an Emergency Contact in writing prior to Your departure, We will act on Your behalf.
22. We reserve the right to choose the most appropriate contractor to attend to Property repairs. If preferred tradespeople have been supplied by You, We will Use Our best endeavours to engage Your preferred supplier, however if this supplier is not available within a reasonable timeframe, We will engage an alternative contractor as determined by Us for the safety and reasonable satisfaction of the Guest.
